**Outdoor Lighting** Outdoor Patio Sets are perfect for outdoor gatherings or just relaxing in your own outdoor environment. Our entire outdoor garden decor collection is custom painted just for you. We are constantly upgrading and ever changing our painting techniques and colours, so we can provide you with the latest colours and best procedures in painting to guarantee you a long lasting custom finish. We can custom paint your patio set to match your favourite cushion or your favourite flower in your garden. We use commercial products so some of our colours are limited but we will do our best to accommodate your preference. Our patio sets are welded together not bolted so you are assured years of a sturdy and lasting outdoor environment.
